

WHAT IS BIBLICAL COUNSELING?

Biblical counseling is targeted discipleship. It is ministering the Word of God to people in specific areas of personal challenge and spiritual development. We all provide counsel and advice to others. Spouses, parents, teachers, pastors, youth workers, church leaders, and health care professionals are regularly giving counsel about spiritual and life challenges.

Wheelersburg Baptist Church is committed to the sufficiency of the Word of God to address the problems of life. We believe that the Bible provides real answers for the real problems people encounter in life. As a certified training center with ACBC, we also are committed to training God's people on how to minister the Word of God to help others with their problems.
